Jean-Olivier ARNAUD has extensive experience as Director of hospitals and Chief Executive Officer of university hospitals and has held the position of Chief Executive Officer of the AP-HM until May 2021. At the same time, he was Chairman of Uni-HA, the Purchasing and Logistics Commission of the Conference of Directeurs Généraux and Chairman of the Syndicate National des Cadres Hospitaliers.

Juliette ANDRES

*Administrator of Relyens
General Secretary of Hôpitaux Universitaires de Strasbourg*

A graduate of the Institut d'Etude Politiques of Strasbourg, with a Master 2 in Business Law, Banking and Finance, and from EHESP - Hospital Director stream, Juliette ANDRES was appointed Deputy Director of Clermont-Ferrand University Hospital in 2016. In 2018, she joined the "Centre Hospitaliers Universitaires" (CHU) of Saint-Etienne and Roanne CHU as Director of Medical Affairs, Research and Innovation. Since February 2021, she has been Secretary General of Strasbourg University Hospitals (12,000 employees, €1.1 billion budget, 2,500 beds and places). Among her many duties, she is responsible for coordinating the CSR approach and several Innovation and Organisational Transformation projects.

Claire CAUCHETIER

Brand and Development Director, Elithis Groupe

A jurist by training with a wealth of experience as a consultant or Cabinet Director, Claire CAUCHETIER joined Novaxia - a major player in urban recycling - in 2018. In 2021, she became Head of Brand and Development for the Elithis Group (a building consultancy and engineering group and one of France's leaders in energy efficiency), including Head of Communications, Corporate Social Responsibility, and Institutional Relations. In 2023, she will join Kaufman & Broad as Director of Development France for its "Aménagement et Territoire" subsidiary.

Noémi LUIS

Claims team leader at Relyens, Spain

A lawyer and holder of a Master's degree in Conflict Mediation from the Barcelona College of Lawyers, Noémi LUIS gained experience in bodily injury claims management, then as a bodily injury claims team coordinator. In 2018, she joined Relyens as Claims Manager within the Health Social Spain market in Barcelona. In addition to managing claims, she negotiates and manages high-stakes cases with a view to obtaining favourable technical results and fair compensation for patients.

Emilie POINT

Market Research and Development Expert, Relyens, France

With a Bachelor's degree in Marketing and Communication from Dublin Business School and a Master's degree in Marketing, Commerce and Entrepreneurship from ISEG Lyon, Emilie POINT has several years' experience as a Product Manager in personal insurance, then as a Property & Casualty-Health Market Manager at MNH before joining Relyens in 2017. She is currently a Research and Development Expert for two affinity markets: local elected representatives and territorial agents, and the "Services Départementaux d'Incendie et de Secours" (SDIS).

Jean- Laurent NGUYEN-KHAC

Administrator of Relyens

Managing Director of the CIG de la Grande Couronne in Versailles, France

Jean-Laurent NGUYEN-KHAC began his career at the CIG de la Grande Couronne as a legal expert and was then Deputy Director General at Saint-Gratien town hall in the Val d'Oise for two years. Appointed Director General at the Centre Interdépartemental de Gestion (CIG) in 1999, he is also a member of the Board of Directors of the ANDCDG, of which he was Chairman from 2006 to November 2021.

Julie RACHLINE

Founder and Managing Director of LallianSe - Life Sciences Integrator

With a degree in neuropharmacology and a doctorate, Julie RACHLINE completed her training with a Master of Science in Marketing for the pharmaceutical industry and an "Entreprendre au féminin" program at ESSEC business school. A scientist, investor and recruiter before revealing herself as an entrepreneur, Julie RACHLINE wanted to develop a different, human-centred approach to healthcare products. So, she set up LallianSe, pioneering the concept of integrating healthcare innovations.

Relyens, European mutual insurance and risk management group, works on a daily basis with health and local authorities to secure their activities and guarantee the continuity and quality of their common good mission for the benefit of patients and citizens.

For almost 100 years now, we have been creating and weaving the relationship with our stakeholders to move forward, together, in a world where trust is nurtured, shared, amplified, transmitted and mutualised.
